

Naša misija je da probudimo hedonistu u svakom od Vas.
Oslanjamo se na domišljatost i iskustvo, jednostavnost domaćeg i
prirodnog, kvalitet i neprocenjivi ukus začina. Premium dimljenja
mesa se dime na vinovoj lozi i bukovom drvetu. Uz sva jela služimo
domaću selekciju hljeba iz naše kuće.

Our mission is to awaken the hedonist in each of you.
We rely on creativity and experience, the simplicity of
local and natural ingredients, exceptional quality,
and the unmistakable richness of spices.

Our premium smoked meats are slow-cooked over
grapevine and beechwood. Every dish is served with
a selection of homemade bread, freshly baked in-house.

Príjatno!
